

Step 1

Starting with an upside down glass, Doodle a circular base for your Basket

Step 2

Build up the walls of the Basket by continuing to Doodle around the perimeter of the circle

Step 3

Create a bridge with a piece of masking tape to help you Doodle the Basket Handle

Doodle multiple half-inch sticks to create "Grass" to line the Basket with

Step 5

Draw and trace a Ribbon shape with the 3Doodler to decorate your Basket

Step 6

Draw and trace an egg shape twice, then fuse them both together to create the Easter Egg frame

Easter Egg Basket

By 3Doodler Community

Step 7

Doodle between each section of the Egg frame until it is complete

Step 9

Use a different colour for each Egg!

Step 11

Decorate each Egg with a secondary colour

Step 8

Continue Doodling more Eggs to fill your Basket

Step 10

All finished

Step 12

Use this Zig Zag pattern or be creative and make your own
