

## Step 1

Get an existing lamp shade for you to draw on. Make sure to have space for your light source!

## Step 3

Pull it out.

## Step 5

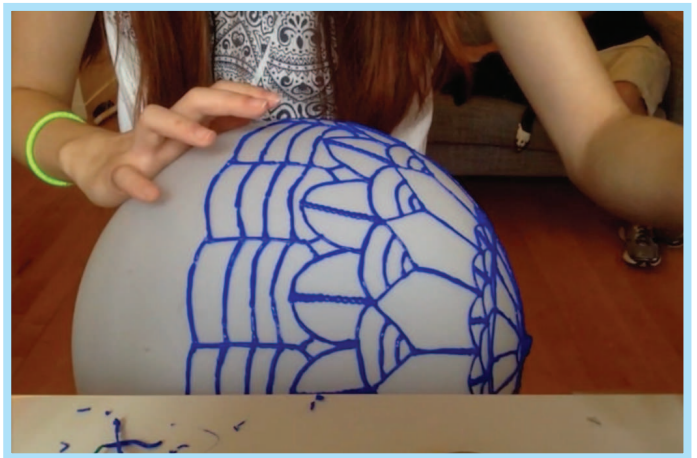

Pull that out as well.

## Step 2

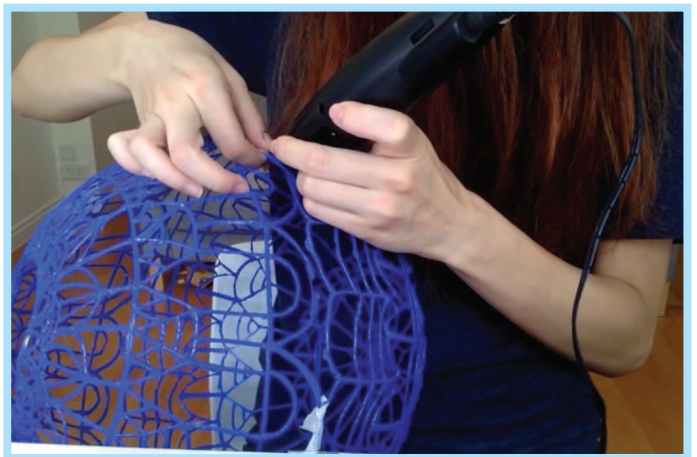

Doodle half of the lamp.

## Step 4

Doodle the other half of the lamp shade.

## Step 6

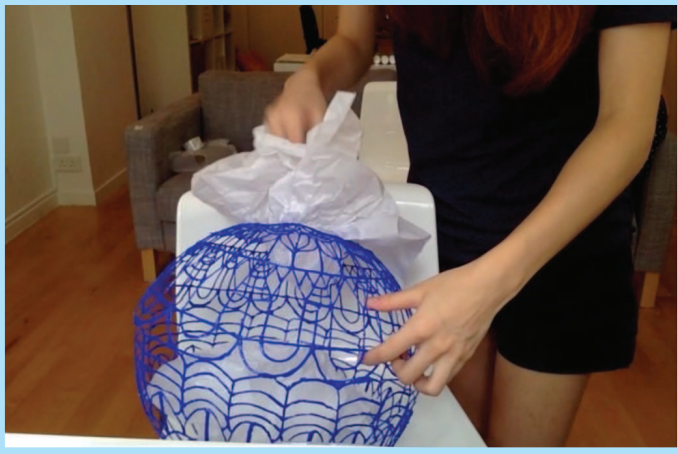

Mend the two sides together.

## Step 7

Put tissue paper into the lamp. Make sure everything is covered!

## Final

Attach onto your light source and there you have your personalized, 3Doodled pendant lamp shade!
